Sponsorship Opportunities

Since 2013, the Fertility Foundation of Texas has been dedicated to supporting individuals and families burdened by the financial challenges of infertility through compassion, advocacy, and action.

As a 501(c)(3) nonprofit, we provide one-time grants of up to \$10,000 to qualifying Central Texas patients while raising nationwide awareness that infertility is a treatable medical condition.

the many families FFOTX helps each year.

THE JACKSON FAMILY

After discovering FFOTX, we applied for a grant—and when we were awarded it, I cried tears of joy. Their support lifted the financial burden and allowed us to focus on our journey with renewed hope. Today, we are blessed with two beautiful, healthy daughters, ages 5 and 8. We will always hold FFOTX close to our hearts.

THE NIKAH FAMILY

The support FFOTX gave us the means to keep going when the road felt overwhelming. We are eternally grateful this organization exists and hope to support other families the way we were supported. In 2025, I joined the FFOTX board and am honored to give back to the organization that helped build our family. - Katie Nikah

THE MIOTKE FAMILY

We applied for a grant, and when we were chosen to receive assistance, we could hardly believe it—suddenly, a path forward felt possible. “Without FFOTX, we couldn’t have afforded IVF and wouldn’t have our beautiful, growing family. We are eternally grateful and always include FFOTX when we share our story.”
